28/03/2025

INTRODUCTION

In a world where brand visibility is essential, promotional gifts and branded products with logos play a crucial role in the communication strategy of companies.

Accor, the world's leading hospitality company, understands this perfectly by surrounding itself with reliable and innovative partners. In this presentation, we invite you to discover all the suppliers referenced by Accor in Europe and North Africa, specializing in the creation and distribution of promotional gifts.

Whether to enhance brand image, build customer loyalty, or make a lasting impression at events, these suppliers offer a variety of quality products that combine functionality and aesthetics. By exploring their catalog, you will find solutions tailored to your specific needs, while ensuring optimal visibility for the Accor brand.

Let's dive together into this world where creativity and strategy meet to make your visual identity shine!
